Find the propeller that matches your needs.

1. Please complete all information listed below.
2. If you do not know all the information, refer to the owners manual or the actual vessel you are re-propping.
3. Ideally, all spaces are to be filled in. However, if certain information is unknown, focus on the spaces marked with an asterisk (*).
4. Our suggestion can only be as good as the information you provide. Inaccurate data will have an effect on the propeller(s) we suggest.
5. Please note any desires, concerns or history of performance in the comment section.
6. When complete, return this form to Michigan Wheel Marine. You will be contacted when your Prop-It-Right analysis is ready.
